

Forensic Notes

Forensic Notebook (w/ edits) for Det. BROWN

2017-07-09 @ 17:54 (UTC -8)
to
2017-07-09 @ 18:08 (UTC -8)

This document contains the following sections:

1 Forensic Notebook (w/ edits) Summary

Notebook details including the number of notes and attachments contained within this Forensic Notebook (w/ edits).

2 Validating the Authenticity of this Document (if required)

Web Address URL to determine if this Forensic Notebook (w/ edits) is current and valid.

3 Digital Signature

Logo indicating that this document has been Digitally Signed and Timestamped. Verifiable within Adobe Reader, Adobe Acrobat or by utilizing the Validation URL.

4 Exact contents of each Note entered by Det. BROWN

Each note entered by Det. BROWN has been Digitally Signed and Timestamped. An exact copy of all notes and attachments entered by Det. BROWN is included within this Forensic Notebook (w/ edits).

NOTE:

Older versions of a Forensic Note may exist as a result of changes made by the owner of the note. If the current Forensic Note has older existing versions, the NoteID and Timestamp information of the older Forensic Note will be provided. If required, the older Forensic Notes are available within the ZIP archive package downloaded with this Forensic Notebook.

Potential Relevant Information
<i>Additional notes may have been created since this Forensic Notebook (w/ edits) PDF was generated on 2017-10-11 @ 09:12:50 (UTC -8) . The Validation URL listed on the next page will indicate if additional notes exist.</i>

NOTES

Sunday - July 09, 2017 (2017-07-09)

17:54 (UTC -8)NoteID: [3038a1ed-f961-4629-98ac-8f55ece4f5b2](#) (1) Timestamp: 2017-07-09 @ 20:58 (UTC -8)Older versions of this Forensic Note exist:
NoteID: [ee861d83-1e07-46b8-a52a-e9002e97eebf](#) Timestamp: 2017-07-09 @ 18:03 (UTC -8)

Exhibit #1, began examination of device in the digital forensic faraday room. Exhibit was a white iPhone 6 stored in a sealed RF shielded can.

- Reviewed Search Warrant and Exhibit Request form.
- Open the sealed RF can and removed the exhibit and began to take exhibit photos.

- Noted the Model # and IMEI as shown on the back of device.
- Removed SIM Card and noted ICCID.
- Powered on exhibit #1, battery had low charge. Connected device to power source to charge battery.

18:03 (UTC -8)NoteID: [be38b538-f1b8-418d-a8b1-7a28a3fdd93f](#) (2) Timestamp: 2017-07-09 @ 18:04 (UTC -8)

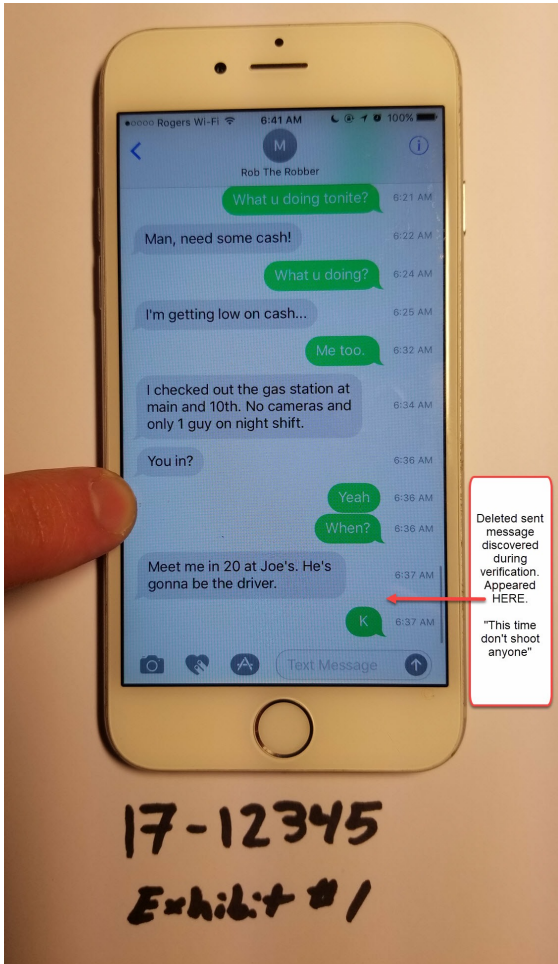

- Checked exhibit #1, and noted device was fully charged.
- Physical extraction not supported on this device.
- Began logical extraction on phone using ABC Forensic Software (Ver. 1.2.3).

18:04 (UTC -8)NoteID: [82ddca75-86d0-48e7-8d3a-9c5ca1038ce4](#) (3) Timestamp: 2017-07-09 @ 18:05 (UTC -8)

- Began verification of data extraction by reviewing applications on the device and comparing it to extraction.

18:04 (UTC -8)NoteID: [f5e9e578-03ae-42b6-9ef0-2d1c94fef5df](#) (4) Timestamp: 2017-07-09 @ 18:07 (UTC -8)

- View conversation on device with "Rob the Robber" (1-555-555-1234), verified a message marked as deleted within extraction was not visible in conversation on the device.

18:05 (UTC -8)

NoteID: 70835fa0-1479-4198-b16c-3a6096a974ba (5)	Timestamp: 2017-07-09 @ 18:08 (UTC -8)
--	--

- All applications that were of relevance appeared to be successfully extracted.

18:05 (UTC -8)

NoteID: 2515f700-df0b-4ccd-8570-88a1a2c474ed (6)	Timestamp: 2017-07-09 @ 18:08 (UTC -8)
--	--

- Provided a preliminary report to the lead investigator, Det. JONES.
- Included Call Logs, Instant Messages Images and Videos
- Advised Det. JONES to identify any information of relevance.

18:08 (UTC -8)
